Working conditions in Plastic Units

*390. SHRI KRISHAN LAL SHARMA: Will the Minister of LABOUR be pleased to state:

(a) whether it is a fact that the working conditions in various plastic units are unhygienic and hazardous;

(b) if so, whether Government have carried out any survey of these units and if so, with what results; and

(c) whether Government propose to improve the working conditions of these units and if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF LABOUR (SHRI P. A. SANGMA) : (a) and (b) The State Governments/Union Territory Administrations of Arunachal Pradesh, Andaman & Nicobar Islands, Lakshadweep, Mizoram, Punjab, Meghalaya and Sikkim have informed that they have no plastic units. According to the State Governments/Union Territory Administrations of Assam, Rajasthan, Haryana, Kerala, Tripura, Maharashtra, Tamilnadu, Orissa, Manipur, Pondicherry, Karnataka, Gujarat, Chandigarh and Daman & Diu, it is not a fact that working conditions in plastic units are unhygienic and hazardous. Only Delhi has informed that working conditions in these units are unhygienic and hazardous. In none of the States/Union Territories including in Delhi, any specific surveys have been carried out though periodic inspections are reportedly being carried out by the concerned authorities.

(c) "Synthetic Resin and Plastics" have been included in the list of industries involving hazardous processes as given in the First Schedule to the Factories Act, 1948 as amended in the year 1987.

The provisions of Chapter IV-A of the Act and the Rules made thereunder which contain special provisions for regulating safety and health aspects in hazardous process industries are also applicable to plastic units in view of their hazard potential. The Act also contains general provisions applicable to all factories for protecting health of workers such as cleanliness, disposal of wastes and effluents, ventilation, safeguards against inhalation and accumulation of dust and fumes etc.

The responsibility for complying with the provisions of the Factories Act, 1948 lies with the occupier of the Factory. The State Governments/Union Territory Administrations are responsible for enforcing the provisions of the Act.

Scrapping age limit for Import of Second Hand Capital Goods under EXIM Policy

*391. SHRI B. K. HARIPRASAD:
SHRI BISHAMBHAR NATH PANDE:

Will the Minister of COMMERCE be pleased to state:

(a) whether it is a fact that under the newly announced EXIM policy Government have decided to scrap the age-limit for the import of second hand capital goods;

(b) if so, whether it is a fact that this relaxation would embolden the unscrupulous exporters abroad to dump into India, inefficient and outmoded technology and plants; and

(c) whether it is a fact that such a move would help the recession-hit industry in the West through over-invoicing of 'junk' machinery meant for exports to India?

THE MINISTER OF COMMERCE (SHRI PRANAB MUKHERJEE): (a) Yes, Sir.
